CLEVELAND, April 11, 2011 – Coffee lovers traveling through Cleveland will be among the first to try **Timothy's World Coffee**, the Canadian-based café chain that recently opened its first U.S. location at the AIRMALL® at Cleveland Hopkins International Airport. AIRMALL USA, the leading airport concessions developer in North America and operator of the AIRMALL at CLE, is pleased to announce its arrival on Concourse D (600 sq. ft.).

“Authentic, premium coffees coupled with the warmth of a community café is what makes Timothy's the perfect place to relax before a long flight or grab a high-quality snack on-the-go,” said Tina LaForte, vice president of AIRMALL Cleveland. “We are excited to be able to provide our passengers with the unique opportunity to experience Timothy's World Coffee before anyone else in the country, all at ‘Regular Mall Prices...Guaranteed,’ which is an AIRMALL promise.”

Founded in 1975, Timothy's World Coffee began as a single café in Toronto, Ontario, and has since grown to more than 100 cafés across Canada. Timothy's World Coffee features more than 30 premium blends of coffee, including mild, medium and strong roast, as well as a variety of specialty coffees made exclusively from 100-percent Rainforest Alliance Certified Espresso. Timothy's is proud to use only the top one to five percent of the world's finest Arabica beans in its coffees. The café also offers a variety of bakery and sandwich items for breakfast, lunch and dinner.
